- Create your account with your teamId

The screenshot shows a web form titled "Create a run". It has a dropdown menu for "Select game" with "week1" selected. Below that is a "First player" section with a "Team ID" label and a text input field containing "teamId". A dashed green box contains the text "DRAG AND DROP YOUR JAR FILE". Below this is a grey button labeled "ADD THIS TEAM". The "Total timeout (in seconds):" section has a blue pin icon with the number "60" and a text input field. A green warning box with a triangle icon contains the text: "Please, note that for weekly runs, timeout will not exceed 30 seconds." At the bottom is a grey button labeled "CREATE (this will use one credit)".
